# § 641.640 How do the private sector training activities authorized under section 502(e) differ from other SCSEP activities?

- (a) The private sector training activities authorized under section 502(e) are not required to have a community service project component. However, 502(e) participants must also be co-enrolled in a community service assignment in a SCSEP project.
- (b) The private sector training activities authorized under section 502(e) focus solely on providing SCSEP-eligible individuals with second career training, placement opportunities, and other assistance necessary to obtain unsubsidized employment in the private sector.
- (c) The Department is authorized to pay all of the costs of section 502(e) activities (i.e., there is no non-Federal

share requirement). However section 502(e) grantees may choose to provide a non-Federal share and are encouraged to do so.

- (d) The Department may enter directly into agreements with private businesses for section 502(e) activities.
- (e) Grantees may fund private-forprofit and other organizations that do not have the IRS 501(c)(3) designation or are not public agencies to conduct section 502(e) activities if provided for in their grant or contract agreement with the Department.

#### § 641.650 Does the requirement that not less than 75 percent of the funds be used to pay participant wages and fringe benefits apply to section 502(e) activities?

Yes, under section 502(c)(6)(B) of the OAA, 75 percent of SCSEP funds made available through a grant must be used to pay for the wages and fringe benefits of participants employed under SCSEP projects. This requirement applies to the total grant, and not necessarily to individual components of the grant. For entities that receive an SCSEP grant for both community service projects and section 502(e) projects, the requirement applies to the total grant. For entities that receive only a section 502(e) grant, the requirement applies to that grant.

## § 641.660 Who is eligible to participate in section 502(e) private sector training activities?

The same eligibility criteria used in the community service portion of the program apply for participation in the private sector training activities. (See subpart E, §§ 641.500, 641.510, 641.520, 641.525, and 641.530).

### § 641.665 When is eligibility determined?

Eligibility is determined at the time individuals apply to participate in the SCSEP. Grantees may also verify an individual's eligibility as circumstances require.
